Experience

2.5years

Specialization

UI/UX Design &
Visual Design

Tools

Figma, Photoshop,
Illustrator

Location

Lahore, Pakistan

I am a passionate Designer with 2.5 years of experience in Visual & Graphic Design, now specializing in UI/UX. My focus is on creating clean, user-friendly interfaces that solve real problems. With a strong foundation in visuals and a growing expertise in UX processes, I bridge creativity with functionality.

Experience

Self Initated

2023-Present

UI/UX Design Projects (Self-Initiated)

Created wireframes, mockups, and prototypes in Figma to visualize workflows and improve design efficiency. Worked on landing page designs for industries like Automotive, Tech, and Agency portfolios. Developed responsive layouts optimized for both desktop and mobile devices.

RISE School of Accountancy

2023-Present

Graphic Designer

Designed a wide range of visual and print materials including brochures, social media posts, flyers, banners, business cards, posters, newsletters, and product packaging while maintaining strong brand consistency. Collaborated closely with marketing teams and clients to understand requirements and translate ideas into visually compelling, print-ready designs. Contributed to improved brand presence and engagement through creative promotional assets aligned with organizational goals and audience needs.
